# Hussmann Q-Series Service Merchandiser with Straight Glass - Refrigerated or Dry Multi-Deck Bakery

## Q3-BS

### Reduced Light Reflection and Distortion with Optional Hi-Def Glass

- Less than 2% reflectance - interior and exterior visible light. <sup>a</sup>
- Transmits 90% + visible light. <sup>a</sup>
- Blocks 99% UV transmittance. <sup>a</sup>
- Provides a unique look - flat glass on a curved case.

### LED Lighting

- 50% energy savings over T-8.
- 5-10 year lamp life.
- Excellent product illumination.
- Perfect for dimming or On/Off operation.

### Merchandising Visibility

Optional curved non-glare glass and built-in air sweep assures the product looks great.

### Merchandising Flair

Stylish clean lines combined with sleek design elements create enhanced product visibility. Granite or solid surface design allows for an amazing merchandising display unlike other service cases.

### Quality Fit and Finish

Designed for ease of installation... it has a simplified glass adjustment with a special alignment design that assures fit - does not require unsightly joint trim.

### Ergonomic Design

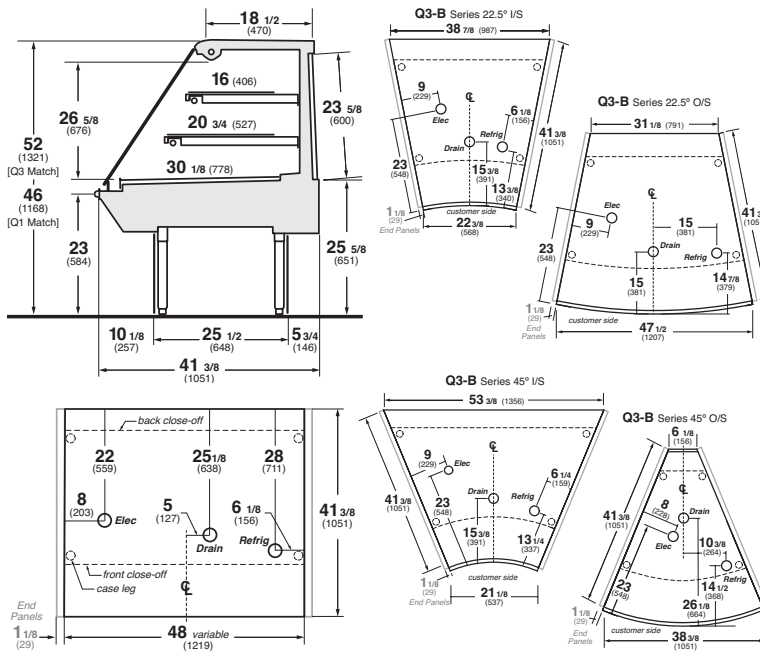

Large rear door opening and steep angle allow for ease of access to product.

## Q3-BS-R (Remote) and Q3-BS-D (Dry)
